POST-PURCHASE REBATE QUALIFIED PRODUCT LIST

IMPORTANT: Models listed are for post purchase rebates on purchases made at ANY retailer. Eligible fuel generators must be listed as California Air Resources Board (CARB) compliant, have a CO (carbon monoxide) sensor, and a CO (carbon monoxide) shut off feature. Please note that the eligibility criteria for these products are subject to change at any time without prior notice. Fuel generators without these specifications and/or features listed by the manufacturer will not be eligible for a rebate. Refurbished models are not eligible since all eligible generator models **must be purchased new, in California and include manufacturer's warranty. Private party and third-party sales are also not eligible for incentives.**

Please ensure your household qualifies for a rebate prior to purchasing products. Visit www.sdge.com/genrebate for details.
