

**Data Request Number: SPD-SDGE-SB884-005**

**SB-884 Program: CPUC Guidelines**

**Publish To:** Safety Policy Division – California Public Utilities Commission

**Date Received: 11/15/24**

**Date Responded: 11/22/24**

Provide responses to the items listed below.

1. Is San Diego Gas and Electric intending to submit an Expedited Undergrounding Plan (EUP) to the Office of Energy Infrastructure Safety?
  - a. If so, what is the expected timing for submitting an EUP to the Office of Energy Infrastructure Safety? What is the expected timing for submitting an EUP cost recovery Application to the Commission?

**SDG&E Response:** At this time, SDG&E has not determined if it will submit an EUP.
