

## Home Fires claim 7 lives every day, but you can help change that!

This spring, you can join the American Red Cross national movement to prepare for home fires. You can make a difference by taking two simple steps: practice your 2-minute escape drill and test your smoke alarms monthly.

American Red Cross volunteers will also *Sound the Alarm* by educating our communities nationwide in home fire safety, helping families create their 2-minute escape plan, and by partnering with local fire departments to install alarms where it is safe to do so.

Now scheduling virtual home fire safety education sessions in your community! To sign up for a personalized session, call 619-354-9609 or sign up on our website at [SoundTheAlarm.org/SoCal](https://www.SoundTheAlarm.org/SoCal).
